

The ***TOMBSTONE GHOST RIDERS*** are proud to present the

“SANTA CRUZ COUNTY FAIR MEGA PRACTICE”

On September 15th 2012

Due to circumstances with Fair scheduling etc., we cannot shoot on Sunday, so instead of a single shoot on Saturday we are opting to have an organized practice day from 9am to 4pm. The fairgrounds are a great setting to get new shooters and horses exposed to new sights and sounds. We will be shooting pistol, rifle and shotgun stages along with a Pony Express stage. Come shoot as much or as little as you want for \$30.00.

This is an excellent opportunity to get tuned up the Arizona State Championship the following weekend.

There is lots of room for dry camping and portable pens and there are plenty of stalls available. You can come down Friday and leave on Sunday if you would like, there will be lots of Fair activities and Fair food going on all weekend.

The fairgrounds are in Sonoita, take the Highway 83 exit from I-10 and go thru the intersection in Sonoita and the fairgrounds are there on the right, go down to the second entrance and follow the road around back to the arena.
